

My Favorite Gospel Conversation Questions

July 13, 2016

In the United Kingdom, where Cru is called Agape, they recently did a poll of the staff, asking them to share their favorite questions for getting into spiritual conversation or taking a conversation deeper.

In addition to sharing their top questions, responders also emphasized the power of really listening and caring for people, as well as the importance of developing a rapport and relationship that goes beyond just one conversation.

1. **“Do you have much of a spiritual background?”**

Many staff told us that they often ask a version of this question. Their follow up questions include:

“Does your background have any impact on you now?”

“What people have most shaped your beliefs?”

“What’s most influenced you to come to your current conclusions?”

2. **“How would you describe your spiritual journey?”**

This question was also a popular one with our staff. Their follow up questions include:

“What values and causes are you most passionate about? Why?”

“What gives meaning and purpose to your life?”

3. **“What do you think about Jesus?”**

Other related questions include:

“What have you heard about Jesus/ Christianity?”

“Are you a spiritual person?”

“Have you ever thought about God in your life before?”
